

ALCEA GATEWAY BGW101, BGW102

your gateway to the connectivity revolution.

Product description

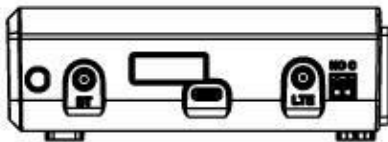

- Remote keyless open
- Real-time situational awareness
- High quality & life cycle value
- Efficiency, convenience & peace of mind
- SIM included
- Ultra-low power wakeup radio
- Remote monitoring

Technical data

Available in platforms	ABLOY® BEAT ABLOY® CUMULUS
Connectivity	Indoor antennas incl., Bluetooth Low Energy 5.0 and cellular LTE-M
Power	Battery CR-P2 Panasonic 6V up to 4 pcs. DC variant 12-24V
HW Specifications	Dimensions 120x125x40
	Rating IP43
	Operating temperatures -20 C – +55 C
	Mounting with DIN rail or directly to wall
Optional Accessories	Outdoor dual antenna (IP67 and IP69)
Functional features	Door sensor option DC 2 pcs. (NO, NC), battery variant 1 pc. (NO)
	Automatic firmware update
	Temperature/humidity sensor
	Battery status monitoring
	Factory reset
